AROUND TEWKSBURY

with Helen Murphy

OL-8-4148

Now the holidays are all behind us, the kiddoes all back to school and another year begins, all eyes will start to focus on local elections between now and March 11, the day the voters of Tewksbury go to the polls to elect the various board members.

May I remind my readers that unless you are registered by Feb. 11, you will not be eligible to attend the Town Meeting scheduled for March 4th or to cast your ballot in the election. Town Clerk John Hedstrom announced those who are not registered but are eligible may register any weekday during office hours and every Tuesday night between the hours of 7-9 PM. If you have been a resident of the State for one year and of the town for six months and are not registered you are eligible, if you are a citizen, if naturalized, papers must be presented upon registering.

To date no papers have been filed for the several posts to be filled this year, but rumors fly to indicate much more interest will be stirred this coming week. Two terms on the Bd. of Selectmen, will expire this year; present chairman Joseph J.Whelan and George O'Connel will both be up for re-election and alneither has announced publicly it is felt both will make another bid for the offices they fill. Many eyes will be watching the two openings on the Bd. of Road Commissions, one the expired term of William Gath and the other opening due to the death of Mr. Chester Roper who filled the seat for many years. Two three year terms will be open on the School Committee as Mrs. Loella Dewing and Mr. Arthur Wells terms expire and with the unexpired term of Mr. Frank Kelly for one year to be filled, much activity will center around this opening. The School Board has requested a joint meeting with the Board of Selectmen to fill this vacancy but up to date, no action has been taken, on a replacement for the one year term. The deadline for filing papers will be Jan. 28th and due to the heavy vote polled in the November election, instead of the usual 30 odd names required by law, instead 65 will be needed to make up the one percent of votes cast in the presidential elections, that must be signed to all candidates papers seeking office. No doubt this coming week will show the beehive of activity and the political fever bug will be let loose not to be out of sight until the last vote is counted.

The next meeting of the S.T.B.A. will be held at the quarters on Main St., on Wednesday, Jan. 4, at 8:30. The Hospitality Committee has a real treat in store for the membership when Troop 139, under the direction of Girl Scout Leaders Mrs. Elsie Howes and Mrs. Thelma Wilke will present the entertainment for the members. Mrs. Mary Proverb is Hospitality chairman for this month.

The Women's Auxiliary of the Tewksbury Rod and Gun Club are still setting up their meeting for interested women of town and hope that the response will continue as well as it has since their announcement of the formation of an auxiliary. Anyone who has not yet indicated their desire to join, may do so by contacting Mrs. Richard Bernat at UL1-9182 or better still attend their next scheduled meeting on Thursday, Jan. 12 at 8:30 at the club headquarters on Chandler Street.

The next meeting of the Women Voters of Tewksbury is set for Thursday evening Jan. 12 at 8:30 PM at the Town hall. All women of town are invited to attend.

The Tewksbury adult education program announces its Spring term registration schedule.. Russell, Director at UL1-2011.

The postponed Jan. 4 meeting of the Heath Brook PTA will be held on Jan. 11 at 8 PM at the John D. Sullivan Memorial Auditorium.

ARMY MAN GRADUATES

Major Frederick J. Fish

WILMINGTON..Army Maj. Frederick J. Fish, son of Mrs. Emma M. Fish, 8 Glen Road, completed the 16-week associate course at the U.S. Army Command and General Staff College, Fort Leavenworth, Kan., Dec. 16.

The class of 364 U.S.Army officers and 35 officers from 16 allied nations heard the graduation address by General George H. Decker, Chief of Staff, U.S. Army, who was introduced by Maj.Gen.Harold K.Johnson, school commandant and commanding general, Fort Leavenworth. Following the address, the graduates received their diplomas from Brig.Gen.William A.Cunningham, assistant commandant.

The college, the Army's senior tactical school, was established in 1881 as the School of Application of Infantry and Cavalry. The associate course was established in 1947 and is designed to prepare selected officers from all components of the Army for duty as commanders and general staff officers. This is the 22nd class to complete the course and included 58 Army Reserve and National Guard officers on temporary active duty. The attendance of the civilian component officers is indicative of the Army's effort to train and maintain 'One Army.'

Major Fish is assigned to the Advisor Group, U.S. Army National Guard in Boston.

He entered the Army in 1941.

The major is a graduate of Wilmington High School.

BILL FISHER RECUPERATING

William Fisher of Emerson Road, North Reading, was rushed to the Choate Memorial Hospital in Woburn, for a major emergency operation last Wednesday morning. 'Big Bill' is recuperating nicely and expects to return home within a few days.

TEWKSBURY JR HIGH BLDG. COMMITTEE

The Tewksbury Junior High School Building Committee at its meeting of Dec. 28, 1960, acting on a request from the School Committee, voted to determine through its architect the cost of building a 1,400-pupil junior high school as compared with the cost of building two 700-pupil junior high schools. It was explained in a statement sent to the Building Committee together with two different sets of educational specifications that the 1,400-pupil enrollment figure was derived by an examination of present enrollments and probable population trends through 1970.

In estimating population trends it was assumed that Tewksbury will grow during the next ten years at an average rate that is about half way between the present growth rate and the average growth rate during the peak years of the 'building boom.' During the peak years of the boom as many as 593 new dwellings were added in a single year. The growth rate has been sharply curtailed by the ace-lot rule, and the current rate at which new dwellings are being added is about 50 per year. Based on present enrollments in grdes 1,2 and 3, there are in excess of 1,200 pupils already in our public scools to enter the junior high by 1965.

The estimates of pupil enrollment based on the assumed rate of growth during the next ten years indicates that housing for 1,400 pupils will be needed by about 1967, and the growth through 1970 will not be beyond the 1,400 pupil capacity.

It is recognized that a junior high of 1,400 pupils may be educationally undesirable. In a school of this size, children may get lost in the crowd during the critical period of transition from elementary school to high school. Therefore, the two sets of educational specifications are being considered, one set for the 1,400-pupil school and the other set for two 700-pupil schools. If the cost of the two smaller schools and the larger school are reasonably comparable it might be educationally more desirable to build the two smaller schools.

In other business the Building Committee discussed the selection of an architect. Of the seven architectural firms interviewed, three are no longer under consideration. Before making a final selection, the Committee plans to visit several recently completed schools designed by firms still under consideration.

The Committee also voted to change the regular meeting night to Friday. The next regular meeting will be on Friday, Jan. 6, at 8 PM in the conference room at the new high school.

COMMONWEALTH OF MASSACHUSETTS
LAND COURT

Middlesex, ss.

To the Honorable the Judges of the Land Court for the Commonwealth of Massachusetts.

Respectfully represents Carldwin A. Hunkins, Sr. and Richard C. Hunkins, now of Wilmington, in the County of Middlesex and said Commonwealth; that they are owners of a certain lot of land with the buildings thereon, situate in Wilmington, in the County of Middlesex and said Commonwealth, bounded and described as follows:

The land in said Wilmington, with the buildings thereon, being Lots 34,35 and a portion of Lot 36 as shown on a plan known as 'Ayer City Plan No. One', recorded with Middlesex North District Deeds, Plan Book 5, Plan 9.

That the record title to said lots of land is clouded by a mortgage given by Helen A. Ellsworth, to Shawsheen Co-operative Bank, dated August 21, 1925, and duly recorded Book 727, Page 393, purporting to secure a note for $3000., payable in or within twelve years from date thereof with interest monthly which mortgage appears to be undischarged, unassigned and unforeclosed on and by the record--or not properly or legally discharged of record:

That for more than twenty years after the expiration of the time limited for the full performance of said condition no payment has been made and no other act done in recognition of said mortgage; and

That the mortgagor named in said mortgage and those claiming under her have been in uninterrupted possession of said land for more than twenty years after the expiration of time limited in said mortgage for the full performance of the condition thereof.

WHEREFORE your petitioners pray that after appropriate notices a decree may be entered on the foregoing allegations as authorized by Section 15, Chapter 240 of the General Laws as amended by Chapter 20, of the Acts of 1924,

Carldwin A. Hunkins, Sr.
Richard C. Hunkins

On this 23rd day of November 1960, personally appeared before me the within named Carldwin A. Hunkins Sr. & Richard C. Hunkins known to me to be the signers of the foregoing petition, and made oath, that the statements therein contained so far as made of their own knowledge are true and so far as made upon information and belief that believe them to be true.

Before me,

Nancy H. Clark
Justice of the Peace

My commission expires December 13, 1965.

"A bargain these days is anything that's only slightly overpriced."—Franklin P. Jones.

A small crisis arose in my life this week when one of the Privates in my Army had to become a patient at St. John's Hospital. All my life I have lamented the fact that I was an 'only' child and wished for a sister. When this incident occured, I found that I don't really need one. Two of my sisters-in-law jumped to my aid so fast it was almost blinding and my neighbor down the street was right at my elbow. You three will never know (as Andy Griffith would say) just how much 'I appreciate.'

Speaking of the above event, our thanks go out also, to the many others who phoned with offers of help. The town departments who so quickly went in search of my husband when I could not locate him in his office at the cemetery--within fifteen minutes of my calls to the Highway and School Grounds Maintainence Departments, Mr. 'D' was here.

We owe of course, a deep debt of gratitude to the doctor who came when we called, knowing all the time we were someone else's patients. Hardly seems fair for three of our doctors to be away at the same time, leaving so much territory for one man--perhaps they know how capable Dr. Pagan is at handling such a situation.

Approximately 55 students of Julie Morris' School of Dancing enjoyed a Christmas Party held at Mrs. Morris' home on Marie Drive last Saturday afternoon. Gifts were exchanged and talents exhibited. A most enjoyable afternoon was spent by all in attendance.

Speaking of Christmas parties--firemen are to be congratulated on the fine work done by them in conducting their children's party last week. Everything went along smoothly and without a hitch. Santa distributed gifts to the youngsters and delicious refreshments were served.

Again--speaking of the Fire Department--'the whole town is talking' (or at least all of the town which is in anyway involved), about the 'bang-up' job our firefighters did in saving the Daniel T. Buzzell School from total destruction last Wednesday night.

The Holy Name Society of St. Thomas, will sponsor a dance Saturday beginning at 8 PM. Refreshments will be served. All members and their wives are cordially invited to attend.

Be sure to keep in mind the date of the big whist party to be conducted by St. Thomas Knights of Columbus; it's creeping right up on us--Jan. 19. This promises to be one of the largest whist parties held locally in recent years. More information will be given later.

Contrary to what is being said around town, Sgt. John Imbimbo did NOT suffer a heart attack last week at the police station. He was, however, taken suddenly ill and driven home by fellow police officers.

A conversation with Mrs. Imbimbo later revealed that the sargeant has fully recovered and has taken up his duties at the station.

Mr. and Mrs. Joseph Kelley Jr. of Lumac Rd., are happy to announce the arrival of their daughter, Merri-Ann. Merri-Ann was born at Winchester Hospital on Dec. 12.

The little newcomer has four older sisters and a brother; Bunny, Maureen, Patricia, Bobbi-Jo and Michael.

Grandparent honors are shared by Mrs. Lawrence Dougherty of New York and Mrs. Elizabeth Kelley of Shawsheen Avenue.

Officials of the Merrimac Valley Riding and Driving Club would like to wish all horse enthusiasts in the Merrimac Valley, a most Happy New Year.

Mr. and Mrs. Judson Arbo of Westdale Ave., are happy to announce the engagement of their daughter, Joyce to Ralph Corbitt, son of Mr. and Mrs. Edward Corbitt of Rhode Island.

Joyce is a graduate of Wilmington High School, class of 1959 and is now employed by Transitron Electronic Corp. in Wakefield.

Ralph is a graduate of Gordon College, class of 1959 and is now attending Gordon Divinity School.

Plans are being made for a June 10 wedding.

Mr. and Mrs. George Jensen Sr. of 195 Burlington Ave., are receiving congratulations upon the arrival of their daughter, Sharon born on Dec. 18 at Lowell General Hospital. Sharon has an older brother, George Jr.

Grandparent honors go to Mrs. Hanna Frotten of Winchester.

Lt. and Mrs. David E. Hanson of Lockborn Airbase, Ohio and their four children, Peter, Pamela, Kathy and Mark spent the Christmas holidays with Mrs. Hanson's parents, Mr. and Mrs. Judson Arbo of Westdale Avenue.

While visiting here, they also spent time with the Lieutenant's parents in Woburn and their many other friends and relatives in the area.

A Christmas baby, born to a Sharon couple, made a great grandmother of Mrs. Jenny Cheifetz of Salem St. (The Cheifetz family for many years has operated the Town Bakery).

Mr. and Mrs. Leonard Cornell of Sharon are happy to announce the arrival of their daughter Deborah, who was born on Dec. 25. Mr. Cornell is the son of the former Ida Cheifetz.

This family, all members of the Jewish Faith, find it rather amusing that every year from now on, they will be celebrating Christmas.

Piano pupils of Mrs. Mary Dinteman of Woburn Street, enjoyed a Christmas party held at the teacher's home on Friday evening. Refreshments were served and various piano selections offered.

Members of the VFW and their Auxiliary will sponsor a Blitz party at the hall on Jan. 7 beginning at 8 PM.

Many fine prizes will be awarded, refreshments will be served and the public is invited to attend.

It seems that some town officials feel: if town equipment can be used to clear the lake for the Skating Club during special events, it should be made available to clear the same area for any town youngster who chooses to skate on it. ---Good idea! Other communities usually provide a skating area on a public pond when possible.

One local department was dispatched to work on the project Saturday afternoon --happy skating!

Thiel: Jay Thomas at the Dixie Hospital, Hampton, Va. on Dec. 31; to Mr. and Mrs. Joseph T. Thiel of 25 Harwood Ave., of that city. Mrs. Thiel is the former Mary Welling.

Sharing grandparent honors are Mr. and Mrs. Edward Welling of 10 Fay St., and Mr. and Mrs. Anton Thiel of 31 Atlantic Avenue.

Mr. and Mrs. James Donahue Jr. and their daughter Terri of Lincoln, N. H. were the guests last week of Mr. and Mrs. James Donahue Sr. of Cypress St. Also a guest at the Donahues was Stella Stickland of Lincoln.

Members of the Merrimac Valley Riding and Driving Club held their annual New Year's party at the Pulachi Club in Lowell on Saturday evening. Approximately 40 members and friends enjoyed dancing and a buffet dinner.

As 1960 drew to a close, the group swung into the strains of 'Put on Your Old Grey Bonnet' and ushered in the new year on a happy note.

NORTH READING SELECTMEN MEET

A good part of the evening was devoted to the issuing of liquor licenses which expire at the end of each year.

Other business was transacted as follows:

Drew the name of Lea L. Cartier, N.R.S.S. to serve on jury at East Cambridge, starting February 6, 1961.

Met with a representative of the Wakefield Item, and also Stetson Hunt of North Reading, regarding printing of Annual Town Reports.

Met with Dave J. Lenihan, Main St., regarding upright of a billboard on State property, Route 28, which covers surveyors boundary marker.

Voted to issue a dancing license for the hours 8 to 12 PM on Sunday, January 1, 1961, to Fireside Lounge for anniversary celebration of Joseph Gadbois.

Voted to install a street light on last pole on westerly end of Wadsworth Rd.

Met with John McGirr, member of the Rubbish Disposal Committee, regarding the insertion of an article in the warrant for sanitary land fill.

Following a discussion concerning the many accidents which have occured at the corner of Main and Park Streets, Selectman Statuti suggested that a letter be sent to the local Board of Public Works requesting that they communicate with the Mass. Dept. of Public Works requesting that the newer, larger type of traffic light be installed, so that it may be more easily seen. It was also decided to request that a stop light be installed at the corner of North and Main Streets. Selectman Ryan stated that the State would not install a stop light there unless the corner is widened and Selectman Statuti suggested that steps be taken to widen the corner. Selectman Doten remarked that the police cruiser should be at Main and Park Sts., mornings in order to stop motorists from cutting through the model homes property.

Henry Stickney, Chmn. of the Board of Public Works, met with the Board of Selectmen to request that they declare an emergency, as there was only $838.00 left in the Snow and Ice Removal Account, and another storm was in progress. He stated that they must have a new plow frame, which would cost over $400.00, or else one plow would be idle until after the first of the year. Selectman Doten moved, seconded by Selectman MacRae, that the emergency be declared and the sum of $1,500.00 be allocated to Snow and Ice Removal Account.

Met with Earl Donle, builder, to discuss replacing the door on the side of the Town Hall near the Town Treasurer's Office, as well as repairing the porch outside the door. They also discussed a section of the floor of the Weeks Memorial Library on which Mr. Donle is working.

A joint meeting held with School Committee for purpose of appointing a member to the School Committee to fill vacancy caused by the resignation of Malcolm Stevens. Town Counsel ruled that the vacancy must be filled. Results of ballot taken was as follows: 5 votes for Joseph Lawlor, 3 votes for Thomas O'Leary and 1 vote for J. Turner Hood.

The Board of Selectmen unanimously voted to reappoint Harry E. Jones, Town Accountant for a three year term.

Any man willing to devote one or two evenings a month to this worth-while activity is asked to call Gordon Mills, 4-4128, at his earliest convenience. As soon as five men have volunteered, the new troop will be formed.

St. Theresa's Guild held a most successful Christmas party Dec. 27, at the home of Mrs. John Proctor, LeClair Road. The playroom of the Proctor home was attractively decorated in a seasonal motif. A visit from Santa and a gift exchange provided a great deal of fun and merriment. Games and holiday refreshments completed the evening.

Mr. and Mrs. Albert Hudson of North Reading, celebrated their fiftieth wedding anniversary Saturday afternoon at an open house held at the home of their son-in-law and daughter, Mr. and Mrs. Frederick Wolsey of Park Street. Mrs. Hudson resides with her son and daughter-in-law Mr. and Mrs. Ralph Hudson of Chestnut Street. Mr. Hudson has been in a nursing home for some time but was able to be present for the happy occasion. Another son, Mr. Harvey Hudson, resides with his family in Wilmington.

The anniversary couple greeted over sixty friends and relatives Saturday, and were showered with appropriate gifts, cards and flowers. Mrs. Hudson was presented with an orchid corsage for the occasion.

Seven children and twenty two grandchildren of the couple were present. Guests were present from New Hampshire, Medford, Malden, Wilmington, Woburn, Andover and North Reading.

A beautifully decorated cake befitting the occasion made an attractive centerpiece for the table.

Mrs. Hudson was born in Glassville, Counton County, New Brunswick, Canada, and Mr. Hudson was born in Cardale, Annapolis County, Canada. They were married 50 years ago, Dec. 28, 1920 in Lynn by the Rev. John P. McPhee.

Sincere sympathy is extended to Mrs. Margaret Niven, teacher at the Hilltop Kindergarten, on the death of her mother, Mrs. Helen A Smith of Lynnfield on December 31.

With election time barely two months away, and three vacancies upon which to vote in the School Committee, it would behoove our citizenry to take a more active interest in this group which is responsible for spending sixty-four cents of every tax dollar. The School Committee meets the second and fourth Wednesdays of each month in the administration offices. Their next meeting will be on the evening of Jan. 11, at the High School.

These meetings are open to the public, and, if the public is to cast an intelligent vote in March, these meetings should be well attended for the next two months. Let's cast aside this 'Elect them and forget them' attitude.

The annual Student-Faculty Basketball Game is scheduled for Jan. 13, at 6:30 PM at the High School Gym. This game always attracts a great deal of interest, particularly among the students, who seem to enjoy the opportunity to compete with their teachers on the basketball court. We wonder if the teachers can quite equal their enthusiasm.

The League of Women Voters will hold unit meetings on Jan. 10,11 and 12, at which time the membership will be given an opportunity to hear and discuss the findings of the Rubbish Disposal Committee.

When the Selectmen moved to their new quarters, no place was provided for their secretary, Mrs. Madeline Byrne. Since they have moved, at least one Selectman has been absent each meeting and Mrs. Byrne sat at an absentee's desk. Last week all Selectmen were present, but unfortunately Mrs. Byrne was confined to her home due to illness. So the mystery as to what spot Mrs. Byrne will occupy remains unsolved.

Get well soon Madeline and solve the mystery! Besides, we miss you.

Classes will reconvene for the second semester of the Evening Practical Arts Program at North Reading High School on Monday, Jan. 9. The typing and basic woodworking classes will not meet for the second semester unless additional enrollment warrents. Members presently enrolled will be notified if classes are to be held. Those interested in joining the woodworking class, though not enrolled for the first semester may enroll for the second semester. Also anyone who has had basic typing, though not enrolled in the first semester, may now enroll in the typing class. Those interested in either of these courses may telephone the Superintendent of Schools office or contact Mr. Lazenby at the High School by mail.

In spite of the snowstorm Thursday evening, all members of the Conservation Commission attended their regular meeting, held at the home of Mrs. Phillip Zeimetz. They thoroughly enjoyed their drive through God's ermin cloaked surroundings en route to their destination.

Various parcels of town land were discussed. Walter O'Rourke consulted with the Commission on a matter concerning tax title land. Their next meeting will be held Thursday evening at the home of Mrs. Frederick Rex.

The Newcomer's Club has come up with another one of their unique programs. Thursday, Jan. 12, they will have as their guest, at the North Street School, Richard Elson, Editor of the Globe's Confidential Chat. Following the program, members will serve refreshments made from recipes from the Confidential Chat recipe columns. Members are reminded that the program will start promptly at 8 O'Clock. Those who wish to bring guests must contact Mrs. Vi Beddingfield before the meeting.
